

Fresh Air Camp

for boys and girls

2010

About Fresh Air Camp

Fresh Air Camp, located on 500 acres of woods, fields and ponds in Athol, Massachusetts, offers a safe, traditional overnight summer camp experience for boys and girls ages 8 to 16.

Fun, Fun, Fun!

During the day campers may participate in Red Cross swimming lessons, biking, fishing, hip hop, jewelry making, arts & crafts, basketball, flag football, an obstacle course, soccer, nature hikes, Fresh Air Olympics, Tournament Days and more. Evening activities include astronomy, pool parties, talent shows, dance, mystery theater, karaoke, capture the flag, treasure hunts and camp plays.

Educational too!

Integrated into the fun-filled and stimulating summer camp program are educational elements designed to help children and teenagers gain an understanding of and appreciation for literacy, writing, math, science, and technology. We aim for children to become more motivated and confident learners.

Fresh Air Camp 2010

The 2010 Goodwill Fresh Air Camp will enroll 125 children from Boston and beyond in each of four sessions. The well-established, successful programs at Fresh Air Camp steer children in a positive direction by helping them to recognize and develop their strengths, gain confidence, make new friends and return to school in the fall better prepared to learn. Goodwill's Fresh Air Camp has been a life changing experience for many of the children served, and this is one reason why so many children return year after year—and refer family members and friends too!
